

Fairmount Fire Company

100 Vine Street
Lansdale, PA 19446

Fire Chief
Gavin Butler

President
Ryan Lischke

Montgomery County Station #14

The Fairmount Fire Company of Lansdale, PA is pleased to announce the sale of their 1984 Mack 108' ladder truck. Ladder 14 is a CF 686FA Mack with 18,418 miles. This truck is powered by a 6-cylinder diesel engine, 108' aerial ladder and a 6500-watt gas generator. The truck has a front axle weight of 16,200lbs, rear axle weight of 28,640lbs and a GVW of 44,840lbs.

This truck is being sold under the rules of a FEMA federal grant. The grant states that this truck can no longer be used for firefighting service. Purchaser will sign an agreement that states the limitations of this truck sale.

The Fairmount Fire Company will be accepting sealed bids until June 8, 2023 at 7:00pm. All bids will be unsealed and read to the company at the next business meeting. All bids should include the buyers name, address, phone number and bid. The committee and company have the right to reject any bids. This truck is being sold as is with no warranty.

Listed below are the items that will be sold with the truck.

- 1- Stokes basket with bridle
- 1- Back board
- 2- Gas positive pressure large fans
- 2- Rechargeable hand lights
- 1- Stadco 6500-watt gas generator
- 2- Cord reels 200' with junction box
- 4- Flood lights
- 1- 4" Soft sleeve
- 1- 14' Extension Ladder
- 2- 35' Extension Ladders
- 1- 10' Attic Ladder
- 1- 20' Roof Ladder
